Indicate the desired location of embroidery. Grey shaded areas are unavailable. Some products have limited options.

At the discretion of Spex Seating Ltd, it may be necessary to alter the position of the embroidery for production reasons.

Back Support

Cushion

The cushion height will vary depending on the contour. Use the table below to understand how much space you may have. Be mindful of wheelchair parts that may obstruct your design when deciding on the location. **One side must have a Spex badge attached, please indicate which side you would like.**

		Contour border height in mm		
		Standard	High	SuperHigh
Cushion width in inches	10XX - 12XX	74	99	113
	13XX	79	104	118
	14XX	81	101	129
	15XX - 17XX	86	106	134
	18XX - 21XX	91	111	139
	22XX +	111	131	159

Embroidery is not available on Constructa Cushion
