

spex Part Pod

Ever wished you had that one particular screw or fixing to hand at an appointment?

At Spex, we know that your and your client's time is invaluable - that's why we have developed the Spex Part Pod!

Loaded with 48 different nuts, screws, washers and fittings and all organised into one handy toolkit, the Spex Part Pod has been specially designed to keep in your vehicle, so you are never without that perfect fixing. Easily re-order parts straight from the Spex factory to replenish your stock as and when you need them.

No more rummaging around your van for that spare screw you kept just in case. And say goodbye to second appointments to fit that broken fixture.

With the Spex Part Pod, you can be certain that you can replace that broken fixing without delay, maintain the exceptional level of quality that you expect from Spex products and most importantly, keep your clients safe and happy.
