(Sibling seat sold seperately).

Base Frame Options

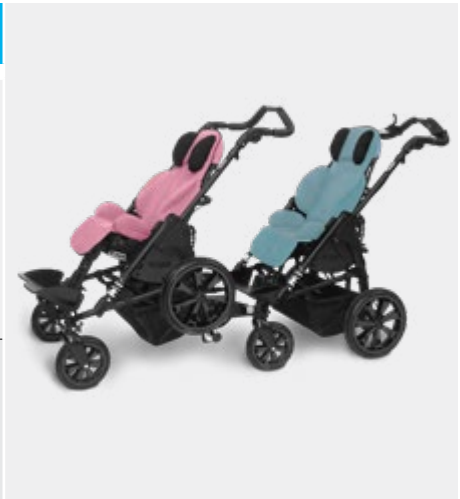

Separate Seat Unit		
Separate seat unit for use with the Cobra Base if a combined stroller and seat unit is not purchased. This is also a great option if two seat units are preferred to avoid swapping the seat unit between the stroller and Cobra bases. Must be purchased with upholstery.		
Size 1 2881-0011-000	Size 2 2882-0012-000	Size 3 2883-0013-000

Cobra Indoor Base		
Cobra Hi-Low Indoor Frame with 75mm Twin Castors	Size 1 2880-8711-000	Size 2 & 3 2880-8721-000

Twin Bingo Stroller	
This twin stroller connection is only possible between strollers of the same size, or for connection of the mini and Size 1 together, it is not available for the size 3.	
Please fill out an additional script form to order the second stroller unit with a unique configuration and accessories.	
Note that this can only be fitted at the time of ordering both stroller units. (Medifab cannot retrofit this attachment).	
2880-8630-000	
Attendant Brake Recommended for purchase with Twin Stroller configuration due to the increased combined weight and inertia when both strollers are connected. 2880-8452-000
