

Medifab Wellington: Customisations and Clinic Space Available!

Visit our Comfortable, Fully-Equipped Clinic in Porirua

Our Medifab Wellington branch, located on Raiha Street in Porirua, now offers a specialised Clinic Space designed for therapists, families, and clients. Plus, our on-site Artisan specialist can assist with any custom products and modifications you may need.

Why Choose an Appointment at Medifab Wellington?

Professional and Safe Environment

Enjoy the benefits of a clean, comfortable clinic space, complete with hoist.

On-Site Customisation

Our Artisan facilities are available for immediate product modifications and customisations.

Reduced Appointment Frequency

Achieve more in a single visit with on-the-spot customisations, reducing the need for follow-up appointments.

Quick Access to Alternative Solutions

Trial more options, accessories, and alternative products with direct access to our extensive warehouse.

Hands-On Problem Solving

Our team is here to assist with MAT assessments, troubleshoot issues, and ensure a precise fit.

Growth Sessions

Book a session with a technician to grow equipment, complete minor repairs, and perform lubrications, all while you wait.

Additional Amenities:

Seating areas for completing paperwork or making calls.

Private therapist desk with WiFi access.

Complimentary hot drinks – relax with a flat white and cookie on us!

Open Monday–Friday, from 9:00am–5:00pm

39 Raiha Street, Elsdon, Porirua
